WEBSITE

EXPERIENCE

E-Commerce

Built a fully functional e-commerce platform using React.js, Laravel and MySQL. Integrated user authentication, product management, cart functionality and secure checkout. Developed RESTful APIs to connect frontend and backend seamlessly.

Construction Company Website

Developed an informative, responsive website for a construction business. Utilized React.Js for the UI and Laravel + MySQL for backend CMS features. Implement custom admin panel for content management.

Food App

Created a dynamic food browsing app using React.Js and external APIs. Integrated live search functionality that fetches food items instantly as the user types.

EDUCATION

Full Stack Web Development Certification, MOAT ACADEMY FOR DEVELOPERS. 2020.

National Diploma (OND). THE POLYTECHNIC IBADAN. 2014-2015.
